WHY BUILDHER BHARAT?

“We don't just want more women using technology. We want more women building it.”

BuildHer Bharat is an innovation platform empowering girls and women to create practical technology solutions—supported by mentorship, professional exposure and a community that turns ideas into action.

- Women in technology
- Innovation & entrepreneurship
- Industry mentorship
- Problem-solving skills
- Professional networks
- Women-led innovation

MEET THE ORGANISER — SHENFINITY

Creating opportunities for girls and women to learn, innovate, build skills, connect with mentors and grow professionally.
