ROUND 1 · PPT / IDEA DECK SUBMISSION

Mode: Online, through the official Unstop event page.
Submission window: 7–15 November 2026. Deadline: 11:59 PM IST on 15 November 2026.
Selection: Top 50 teams move to Round 2.

What your PPT should cover

1. Problem statement and who experiences the problem.
2. Your proposed solution and how it works.
3. Innovation or uniqueness compared with existing approaches.
4. Feasibility, implementation plan and resources required.
5. Expected impact and how you would measure it.
6. Team details and relevant skills.

Before submitting

Use clear slides, check spelling, ensure the idea is your team’s own work, and verify that the uploaded file opens correctly. Submit using the official Unstop page: **https://unstop.com/p/build-her-bharat-shenfinity-1766366**.

ROUND 2 · ONLINE MENTORING & PROTOTYPE

Dates: 18–21 November 2026.
Mode: Online Google Meet sessions.
Who: Top 50 shortlisted teams.
Selection: Top 25 teams advance to the offline Grand Finale.

What to prepare

• Join using the Google Meet link and schedule shared by the organisers with shortlisted teams.
• Keep your submitted idea deck available and be ready to explain the problem and solution.
• Build or improve a prototype, demo flow, wireframe or proof of concept appropriate to your idea.
• Incorporate mentor feedback and document key improvements.
• Prepare a concise update explaining progress, challenges and next steps.

Online session etiquette

Join on time, use a stable internet connection, keep your microphone muted when not speaking, and ensure your team members know their roles. Google Meet links and exact session timings will be communicated separately to shortlisted teams; this guide does not contain a meeting link.

ROUND 3 · OFFLINE GRAND FINALE

Date: 25 November 2026.
Time: 9:00 AM – 4:00 PM.
Venue: K.R. Mangalam University, Gurugram, Haryana.
Who: Top 25 finalist teams.

Finale flow

1. Reporting, check-in and team readiness.
2. Final pitch presentation to the jury.
3. Prototype / solution demonstration.
4. Jury questions and answers.
5. Evaluation and closing announcements.

What to bring and prepare

• A final pitch deck and a working demo or recorded backup demo.
• Laptop, charger, required adapters and any hardware needed for the demonstration.
• A clear explanation of the problem, solution, innovation, feasibility and impact.
• A presentation plan that allows all team members to contribute.
• Any identification or documents requested in the official finalist instructions.

Final presentation tips

Keep the pitch structured and focused. Demonstrate the core user journey, explain what is built versus planned, be transparent about limitations, and answer jury questions directly. Arrive early enough to complete venue check-in and test your demo.

General participant reminders

Follow official organiser communication for shortlist announcements, detailed schedules, Google Meet links, venue entry instructions and any updates. Dates, selection counts or operational instructions may be updated by the organisers; the latest official communication takes priority.
